Hello there!

Hi! How are you doing?

Well, thank you. How are you?

Fab, thanks! I'm here to see my fave band play. I drove 1,000 miles for it!

Wow, so cool. What's your favorite band?

Roxy music. My 2 older brothers took me to see them when I was a kid.

That's so cool! I actually play band in school.

Did you? What do you do now? I'm from farmer stock, meself.

I play for my high school, so it's nothing too cool. Haha!

No, it's totally cool. What instrument?

I play the trumpet. I really enjoy it. It makes time go by in school faster.

Oh, yeah, and there's so many great trumpet players. Check out chet baker.

I have never heard of them, I will have to check them out. Thanks!

How long have you lived here? I just moved -- to charlotte, nc.

My whole life. Oklahoma city, oklahoma!

Nice talking to you! Great place! Have a great day!!
