

new session

I know you grow many crops on your farm, but do you have a lot of animals as well on the farm?

Yes, I have a few animals, but I mostly focus on vegetables. I would like to start selling eggs from my chickens.

How many chickens do you have?

Right now I have 12 chickens, but I was thinking of getting some more. Do you think people will pay a little extra if they can get farm fresh eggs?

I know I would. I really don't like what I've heard about big egg companies.

Yes, that is true. I would pay a little extra for farm fresh eggs. My parents were farmers and they were the ones that recommended I start selling eggs.

It sound like it would be a good thing to do.

Do you have any plans to go to any Magic Sword concerts this year? I could take a trip down to go with you.

I found someone in the band who would like to go with me. We have tickets for a concert next month.

Oh great! I bet you're excited to finally attend your first concert. Don't be nervous, I think you'll have a great time.

I am still a bit nervous, but at least I won't be all alone.

Yes, I would agree that its best to go to your first concert with someone. I think that it will make the experience more enjoyable for you.
